

# THE Key West

DESTINATION™ BRACELET

*"The Destination™ You Love...To Wear!"*

**Key West...** just the name inspires passion, color, beauty, history, culture... The **ORIGINAL Key West Hook Destination™ Bracelet** is, and has been for over a decade, a tribute to the island atmosphere

artfully and masterfully created by this island and her people. The **Key West Hook Destination™ Bracelet** is fashioned after an old skeleton key that bends around your wrist. The "W" hooks into the key to symbolize the hook that this island has on your heart and soul. The 2x4 wrap of 14 karat gold symbolizes the 8 square miles of our island at the end of the road, vibrant and alive with sunsets, blue waters and Duval Street beckoning to all the senses. Come on down, for a week . . . or a lifetime.
